HW1250	10	50		\$18,132	\$20,399
HW1250Dp				\$22,622	\$25,450
Pool Heating controllers					
Pool Management Sub Board complete					\$1050(3)\$1125.
Time Clock bypass System Complete					\$595.00

Note: KW Ratings are nominal and rated at 18deg c WB and 28 deg c water.

Underfloor KW ratings are based on 8deg c dry bulb and 36deg c water temperature

Remote thermostats are fitted on units HW650 and larger. Retail price is recommended price only.

S= single Phase, (3)= Three Phase, Dp=Dual purpose. t=twin compressor

Hot Water Heat Pumps Ltd reserves the right to alter Specification and pricing.

All pricing is freight free up to model HW650

E & EO are expected
